PATENT

REMARKS

A Notice of Allowance was mailed in the present application on July 13, 2009. Subsequent to the Notice of Allowance, a Notice to File Corrected Application Papers was mailed on August 25, 2009. The issue fee payment was submitted on August 28, 2009.

In the Notice to File Corrected Application Papers, Figure 5 was identified as having a lead line which had no reference number; correction by amendment to Figure 5 was required. Applicants presently amend Figure 5 by removing a lead line near the top of box 502. Applicants believe this amendment overcomes the informality noted in the Notice to File Corrected Application Papers. Accordingly, applicants submit that the present application is in condition for issuance.
